

This issue continues the publication of papers presented at the XXVIII Congress of OSTIV held at the site of the 29th World Gliding Championships in Eskilstuna, Sweden, 8 to 15 June 2006. The papers by Pirker, Olofsson and Olsson, and Oldaker were presented at that Congress. The paper by Stoller was an unsolicited manuscript sent directly to the Editor (hindman@sci.ccny.cuny.edu). Receipt of such manuscripts is encouraged! Finally, the paper by Clément was presented at the Motorless Flight Symposium, 8-10 October 2004, Varese, Italy.

The review of the Oldaker paper was supervised by Guest Associate Editor, Sakari Havbrandt of Sweden. Thanks, Sakka!
