

From the Editor

Publication Date

This issue is the first of Volume 42 of *TS*, corresponding to January-March 2018. For the record, the issue was published in August, 2019.

Acknowledgments

We gratefully acknowledge Associate Editor Götz Bramesfeld, who oversaw the review of the Himisch and Rohde-Brandenburger paper in this issue.

Very Respectfully,

Arne Seitz

Editor-in-Chief, *Technical Soaring*
