Volume 27, Number 3 & 4  
Printed February 2006  
This issue was originally scheduled  
for printing in July 2003

The objective of *Technical Soaring* is to document recent advances in the science and technology of motorless aviation.

*Technical Soaring* is published quarterly by the Soaring Society of America Inc., P.O. Box 2100, Hobbs, NM 88241 (505) 392-1177. Subscription price for SSA members is \$24.00 (four issues per year) in the U.S., Canada and Mexico; for other foreign countries—\$27.00 per year. Subscription for non members of the SSA is \$30.00 per year.

Members of OSTIV will receive *Technical Soaring* as part of their membership. First class or airmail can be arranged for an extra fee. Subscribers should send change of address notices to the above Hobbs box number, being sure to mention *Technical Soaring*.

Submitted papers will be subjected to a technical and scientific review before being accepted for publication. Manuscripts should be sent complete with illustrations and cover letter to: Rob Sjostedt, 1800 Meadow Ranch Road, McKinney, Texas, USA 75071.

Papers submitted for consideration by OSTIV should be sent to:  
Dr. Ing. Ladislav Smrcek, Dept. of Aerospace Engineering, University of Glasgow,  
University Avenue, Glasgow-G12 8QQ Great Britain.
