## Report from the 18th Annual North German *Mittelgebirge* Lee Wave Meeting

Christof Maul ..... 61

The objective of *Technical Soaring (TS)* is to document recent advances in the science, technology and operations of motorless aviation.

*TS* is published quarterly by the Organisation Scientifique et Technique Internationale du Vol à Voile (International Scientific and Technical Organization for Gliding, OSTIV); Kluyverweg 1, NL-2629 HS Delft, The Netherlands, Tel: +31 15 278 6387, fax: +31 15 278 3533, email: l.m.m.boermans@tudelft.nl, URL: [www.ostiv.org](http://www.ostiv.org).

Subscription is restricted to OSTIV members but material can be submitted by anyone. Rates per calendar year are €25 for students under 25 years of age, €45 for Individual/Local Club Membership; €80 for Scientific/Technical Organization/Library Membership and €250 for Active Members (National Aero Club Members of FAI). Issues are sent by air overseas then surface bulk delivery.

Submitted research papers will be peer-reviewed. Guidelines for preparation and submission of manuscripts can be found on the OSTIV website in the 'editor' section.

*TS* is in print (grey-shade) and online (full-color) at [journals.sfu.ca/ts/](http://journals.sfu.ca/ts/). The print copy will continue indefinitely. Back issues, from Vol. 22, No. 1 to the current issue, are online; earlier issues will be put online as possible. OSTIV members have complete access to *TS* online; non-members access titles and abstracts. Members should contact the webmaster, [Jannes.Neumann@t-online.de](mailto:Jannes.Neumann@t-online.de), for access. Back issues can be purchased from either the OSTIV Secretariat or, in the USA, by email from [bernaldd@juggernaut.com](mailto:bernaldd@juggernaut.com). A quick-start guide to access *TS* online is on the OSTIV website.

An index of *TS* (Vol. 1 through Vol. 34) is at [soaringweb.org/Soaring\\_Index/Technical\\_Soaring](http://soaringweb.org/Soaring_Index/Technical_Soaring). Issues are indexed by author, subject and issue. Additional information on *TS* and information on OSTIV Publications can be found on the OSTIV website in the OSTIV Index. The Index can be searched by right-clicking on the first page, clicking on 'Search', typing in the keyword and clicking on the 'Search' button. The name *Technical Soaring* and its cover layout are fully rights-protected and belong to the Soaring Society of America; they are used by permission.
