

CALL FOR PAPERS

To Be Presented At The

FOURTH INTERNATIONAL SYMPOSIUM ON THE SCIENCE AND
TECHNOLOGY OF LOW SPEED AND MOTORLESS FLIGHT

Co-Sponsored by the National Aeronautics and Space
Administration (NASA), the Soaring Society of America (SSA),
and the Massachusetts Institute of Technology (MIT)

February 28 - 1 March 1984
Hartford, Connecticut, USA

ABSTRACT DEADLINE: November 30, 1983

The purpose of the symposium is to provide an opportunity for technical information exchange and documentation among the diverse groups which make up the low speed/motorless segment of the international aviation community. Papers are invited on all technically relevant areas including, but not limited to:

Low Speed Aerodynamics and Boundary Layer Control
Composite Materials and Structures
Advanced Instrumentation
Advanced Displays and Human Factors
Soaring Meteorology
Sailplane Design
Optimal Flight Strategies
Man Powered Airplanes
Ultralight Technology

Abstracts should be received no later than November 30, 1983

Final photo-ready manuscripts are due February 1, 1984 for reproduction.

Send abstracts and manuscripts to:

Dr. R. John Hansman
Department of Aeronautics and Astronautics
Room 33-103, MIT
Cambridge, MA 02139
