

CALL FOR PAPERS

The 4th International Symposium
on the Science and Technology of
Low-Speed and Motorless Flight
as part of
The Soaring Society of America International Convention

February 28 through March 1, 1984
Hartford, Connecticut, USA

The Soaring Society of America is pleased to sponsor the 4th such conference on Science and Technology of Low-Speed and Motorless Flight to be held in conjunction with the Soaring Society's Annual Convention. The tentative schedule reads:

February 28 - March 1	Technical & Scientific Papers
March 1 - March 4	General Papers
February 28 - March 4	SSA Annual International Convention.

The program will include, but not be limited to, the following subject areas: Low-Speed Aerodynamics, Advanced Instrumentation, Motorsoaring, Optimal Flight Techniques, Structures and Materials, Ultralights and Hang-Gliders, and Soaring Meteorology.

In addition, there will be a series of papers given at the Convention which would be of general interest to Soaring Pilots.

Authors, Affiliations, Titles of Papers, and Comprehensive Summaries--English--should be submitted as soon as possible, but no later than March 31, 1983.

Send Technical Papers to:

Mr. John McMasters
SSA Technical Board
Route 2, Box 248
Burton, WA 98013, USA

Send General Papers to:

Mr. Bob Salvo
61 Commerford Road
Concord, MA 01742, USA
